

By pumpkins fat and witches lean--
By coal black cats with eyes of green,
By all the magic ever seen ...
I wish you luck this HALLOWEEN

Since this is the time for goblins and bats
Halloween spirits and ghosts and cats
Happenings are weird and witches make brew
The following are the things I wish for you.

May the only spirit you chance to meet
Be thee spirit of love and friends that are sweet.
May the only goblin that comes your way
Be the neighborhood phantom, the breeze takes away.

So by tomorrow, pick a friend down the street
And give to them a Halloween treat.
Hang this sign on their front door
Then leave your treats on the porch floor.

You only have one day to do this, so hurry
Leave treats on their doorstep and run in a flurry!
As this sign moves along from friend to friend,
All good wishes go on and never end!

HAPPY HALLOWEEN
